

Nestled into nature, the North Oak towers are sustainably designed, supporting your lifestyle and mindset.

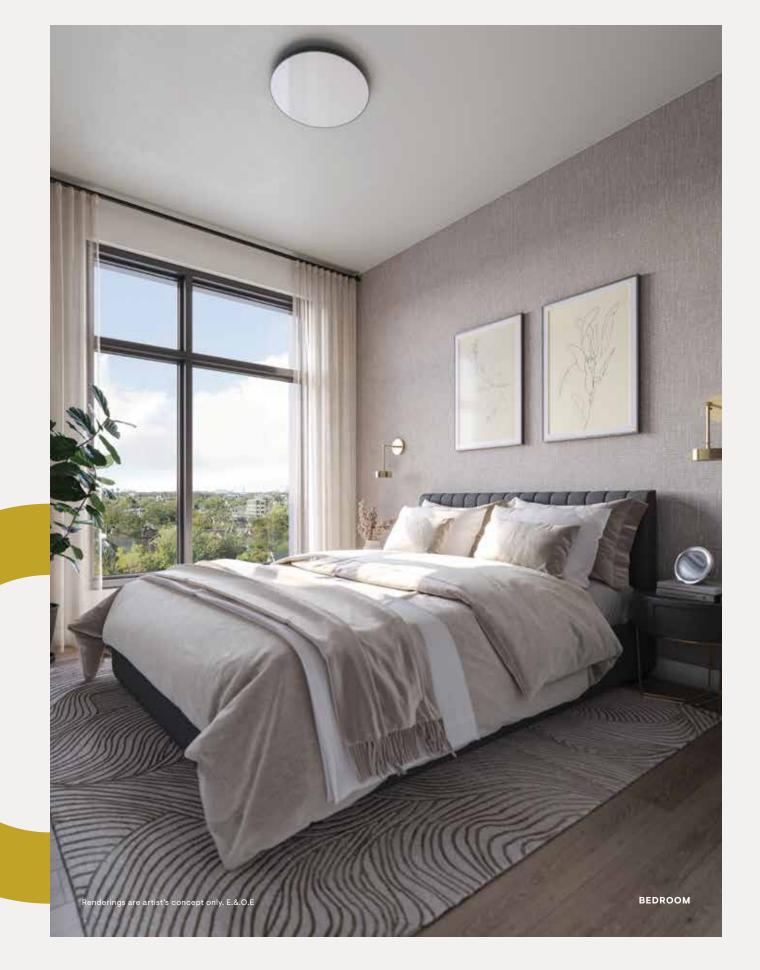

Living amenities that meet you where you are - from your favourite yoga classes to front row seats at the campfire.

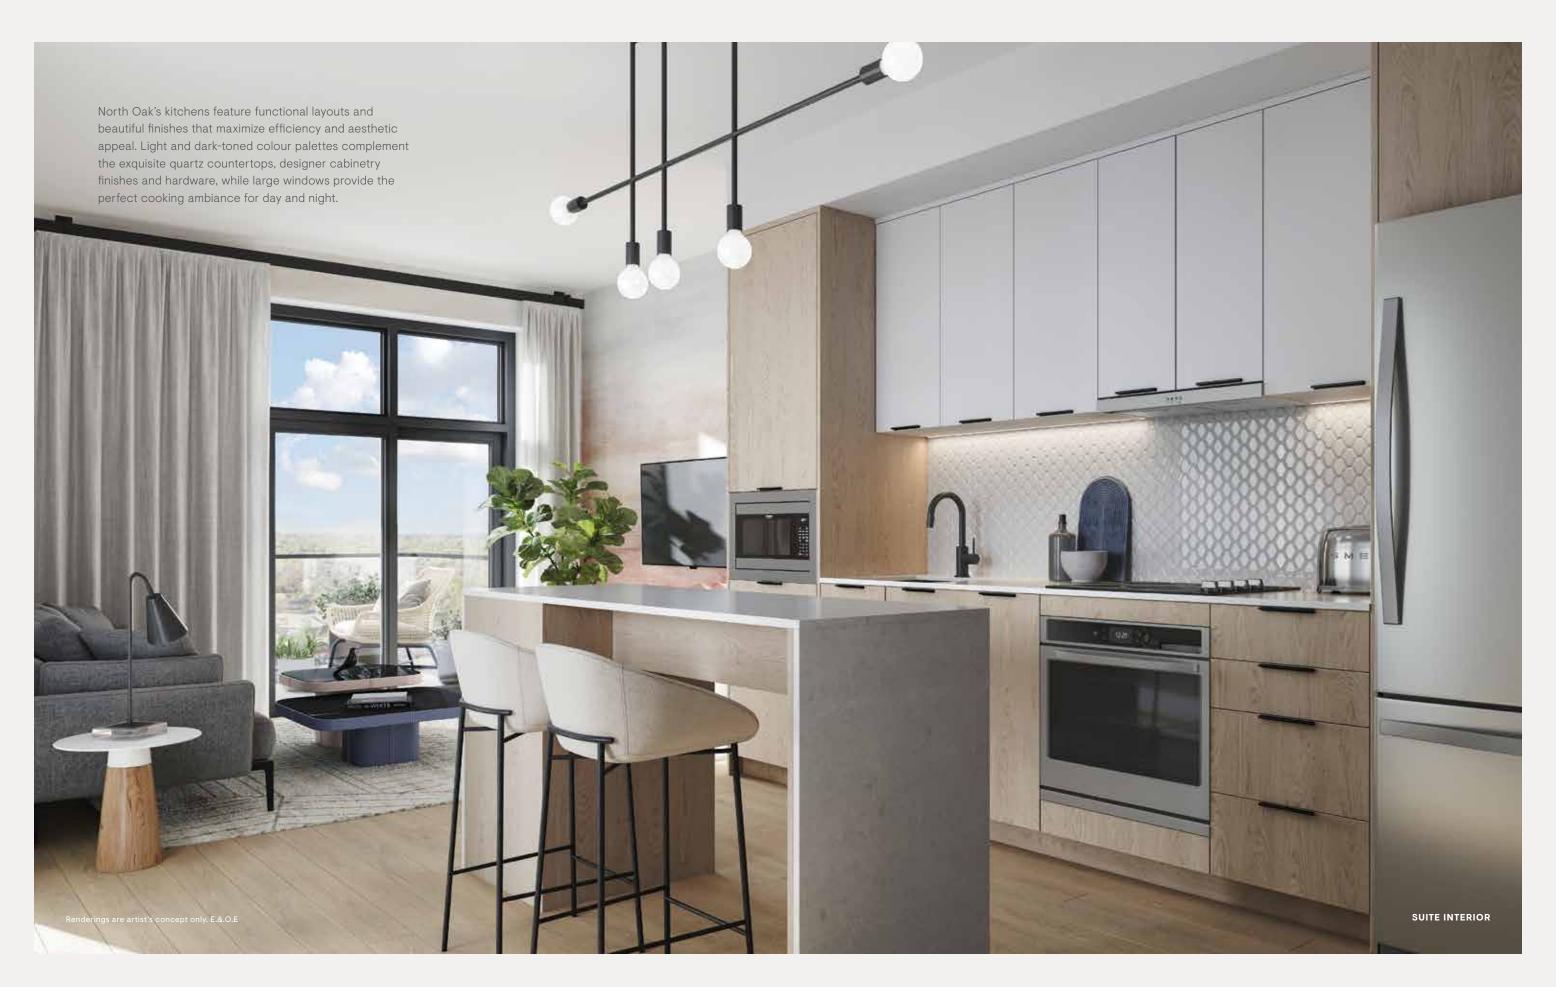

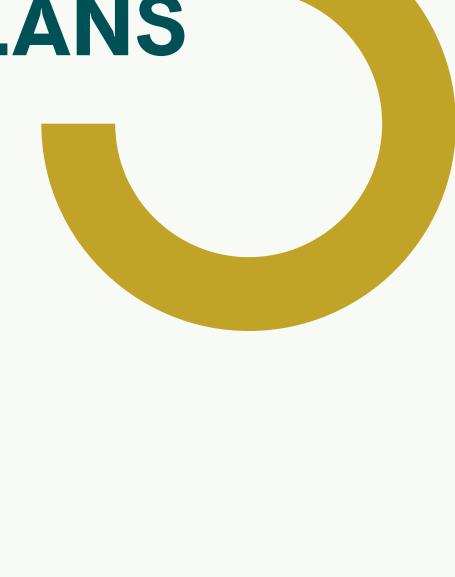

## **ARTISTRY** In Every Detail.

Clean, linear flow and design sets the interior ambience of the suites at North Oak—from the engineered laminate flooring and contemporary transitional detailing, to the alluring use of colour-blocking between a light and dark palette. Beyond the design, the flow of the suites is open and modern, warmly inviting residents home. Minto Intelligence (MI) smart home technology system digitally controls suite temperatures, unlocks your door and so much more.
